(Ord. 748; Code 2003)

5-1102. SALE OF FIREWORKS. Upon application to the city clerk, a permit to sell fireworks shall be granted upon the following conditions.

(a) All applications for a permit to sell fireworks shall be submitted to the city clerk at least ten (10) days prior to the granting of such permit. No permits shall be granted prior to June 24th of the year in which fireworks will be sold pursuant to such permit.

(b) Approval of the location upon which fireworks are to be stored and/or sold, provided, however, that no such location shall be within one-hundred fifty (150) feet of another permit location, measured structure to structure. If a tent is used for the construction of the fireworks stand, the material must be of a flame-retardant type. Each such location upon which fireworks are to be sold shall provide for the public not less than one (1) off-street parking stall per one-hundred (100) square feet of sales structure floor area and adequate ingress and egress aisles. Fireworks shall not be stored or sold within fifty (50) feet of any source of flame, sparks, or flammable or volatile liquids in excess of one (1) gallon, except in stores where cleaners, paints, and oils are handled in sealed containers only. A description of each location referred to herein shall be provided to and approved by the public works director or his/her designee of the city prior to the issuance of a permit to sell fireworks. Each vendor shall furnish without cost to the city such flagperson and attendants as are necessary to insure the orderly parking of vehicles around each sale site, and shall in no way interfere with the normal flow of traffic on public roads. No vendor shall allow parking on public right-of-way around any sale site.

(c) Prior to issuance of the permit, an inspection will be made of the applicant's facility to determine the square footage of the stand/tent/building and other pertinent laws and no permit shall be issued for any premises not in compliance with such laws. The sale of fireworks will be allowed in areas zoned D, E, F and G in the city. No sales of fireworks shall occur at any location, building, structure, tent or other similarly describable enclosure in conjunction with the retail sales of non-fireworks related items except as allowed by staff at the written request of the vendor. Any items sold under this exception must be approved by city staff prior to any sale taking place.

(d) Approval of all safety precautions and equipment at each sales site by the public works director or his/her designee; such precautions to include fire extinguishers and such other equipment as required by applicable state and city laws and regulations.

(e) Each vendor shall obtain a policy of general comprehensive liability insurance for a minimum coverage of \$500,000 per occurrence, with the city of Haysville named as an additional insured, and shall provide the city with a copy of the certificate of such insurance. Such policy or policies shall not be cancelable by the vendor upon less than thirty (30) days notice.

(f) Each vendor shall obtain a policy of product liability insurance for a minimum coverage of \$500,000 per occurrence for products sold and/or stored within the city by the vendor, and shall provide the city with a copy of the certificate of such insurance. (h) Permit fees shall be collected for each sale location based on square feet of the structure. The square footage shall be determined by the interior dimension measurements of the physical structure of the stand/tent/building. Permit fees as established by Chapter 17 shall be collected for each sale location and shall be based on the square footage of the structure or location.

(i) Permit fees as established by Chapter 17 shall be collected for each sale location and shall be based on the square footage of the structure or location. Each permit so issued shall be valid for forty-five (45) calendar days and then shall expire.

(j) No permit shall be issued or renewed to a holder who has failed to demonstrate financial responsibility. In this regard and by way of illustration, evidence that the holder of a permit has failed to pay the cost of merchandise when due, failed to pay costs associated with leased land or facilities when due, or failed to pay wages of employees when due in connection with sales of fireworks in prior years, may constitute sufficient grounds for the rejection of an application for a permit.

(k) The following fireworks shall be prohibited within the City of Haysville: the fireworks commonly referred to as Chinese lanterns.
