

# Fee Abatement / Rebate Grant Application

Cost relief from fees associated with new construction and remodels may be awarded with any combination of abatement and rebate. Fees subject to abatement and or rebate are: water tap, water meter, sewer tap, and building permit fees. Building permits may be rebated or abated up to 50% of the cost of the permit. All other fees may be rebated or abated up to 100% of the cost. All combined rebates and abatements shall not exceed \$7,500. See terms and information as set forth more fully in the City of Haysville Fee Abatement / Rebate Grant Program.
