

Tax Holiday Application

Only the incremental increase in the property taxes, as determined by Sedgwick County, directly attributed to the expansion, relocation or start-up of a new business will be considered for this rebate program. Only the City's portion of levied and paid in full property taxes are available to be rebated to expanding, relocating, or new businesses in operation less than 12 months. Rebates are available for three consecutive years provided the Business continues to maintain, or increase the employment level as when this Application is submitted. First year rebates are 75%. Second and third year rebates are 50% and 25% respectively. See terms and information as set forth more fully in the City of Haysville Tax Holiday Grant Program.
