## David & Gerry Straub Gathering Room

**It was our honor to present Gerry Straub, alongside her family, with the dedication of our lunch room at the June BBQ dinner.**

**The Straub Gathering Room is dedicated to David and Gerry Straub for their 25+ years of volunteering at the Haysville Senior Center. In addition to many other volunteer services here, the Straub's packed meals and delivered those meals everyday to homebound seniors in our community, therefore, we thought the lunch room was the most fitting room for this dedication.**

**We had 82 guest that enjoyed our memorial dinner for David Straub. This meal was free to members through the gracious donations we received in David's honor. Thank you, Straub family!**

# Digitize Your Memories!!

**WITH KELLY SMITH-16 HANDS PHOTOGRAPHY**

**Monday, July 15th starting at 9:00 A.M.**

**Sign up with SC staff for a  
Digitizing Day at the Haysville Senior Center!**

Bring up to 20 slides or photos, or five film negative strips, and have them digitized on the spot! It's easy, affordable, and you'll receive your downloads same day. Not sure how to do all that "tech stuff"? Don't worry, I'll help you with each step, no need to call your grandkids!

**How does it work?** Sign up for an appointment, bring your media with you; and I'll take care of scanning and editing your memories. Once they're processed, you'll receive a link on your phone or through an email where you can download your photos. If you need help downloading them, I can help you with that!

**How much does it cost?** There is a service fee of \$5.00 per order (normally \$15.00). Each slide or photo costs \$1 to scan, crop, and edit for color and/or small blemishes. Payment can be made using cash, a check or PayPal. There's no minimum number of slide/photos, but the maximum to fit into the 30 minute appointment is 20.

**What if I have more than 20?** For larger orders and VHS tapes, I can take your order to my office after the event. The service fee is still \$5.00 if they're brought during the event. VHS/DVD transfer pricing is \$10 for the first ten minutes, and then fifty cents per minute after that. Maximum charge is \$25. If the tape is blank, there is no charge.

**What if I have A LOT of slides/photos/negatives?** For large orders, there are different levels of scanning available at a lower rate (these don't include cropping, color correction or blemish repair). They vary from thirty cents to a dollar each.

**Have questions?**

**Please feel free to give Kelly a call or text at 816-217-7847**
