ITEM #10

The Regular Council Meeting was called to order by Mayor Bruce Armstrong at 7:00 p.m. in the Haysville Municipal Building, 200 West Grand Avenue.

Roll was taken by Deputy Administrative Officer, Georgie Carter: Kessler here, Walters absent, Rardin here, Ewert here, Benner (via zoom) here, Parton here, Crum here, Thompson here.

Invocation was given by Councilperson Bob Rardin.

Mayor Bruce Armstrong led everyone present in the Pledge of Allegiance.

Under Presentation and Approval of Minutes, Mayor Bruce Armstrong presented for approval the Minutes of September 14<sup>th</sup>, 2020.

Motion by Kessler – Second by Ewert

"Mayor, I make a Motion that we accept the minutes of September 14, 2020" Kessler yea, Rardin yea, Ewert yea, Benner yea, Parton yea, Crum yea, Thompson yea. Motion declared carried.

Under Citizens to be Heard, the Sedgwick County Fire Department was not present so Mayor Armstrong presented Janet Parton, Re: Craft Show sponsored by Fall Festival. Janet Parton, 1330 Cottonwood Ln, requested to use Riggs Park for a craft show on Saturday October 24<sup>th</sup>, 2020. She advised council that there would also be food trucks there as the committee would like to raise some money to cover expenses. Parton also advised the council that electricity would only be used for food trucks and that vendors would be properly spaced out. There was discussion regarding the number of potential vendors as well as the specific location in the park. Parton advised council there were around a dozen interested vendors and they would set up on the south end of the park.

Motion by Rardin – Second by Ewert

"I'll make a motion that we allow the Fall Festival to use the Park for the craft show". Kessler yea, Rardin yea, Ewert yea, Benner yea, Parton abstain, Crum yea, Thompson yea. Motion declared carried.

Under Notices and Communications, Mayor Bruce Armstrong called for Governing Body Announcements. Councilperson Steve Crum reviewed hours and upcoming events at the Haysville Community Library. He stated the last day to register for the general election is October 13th. Councilperson Russ Kessler announced the 3rd Friday of September is the National POW/MIA recognition day and encouraged people to put it on their calendars for next year. He advised that the VFW disposes of unused flags and that they have a drop box where flags can be surrendered. Mayor Bruce Armstrong reviewed upcoming event details at the Haysville Senior Center.

Under Other Business, Mayor Bruce Armstrong presented Consideration of Agreement with PEC for Water Master Plan. Public Works Director Tony Martinez advised that the Lead and Copper Rule was established in 1991 with the Safe Water Drinking Act. This rule provides maximum levels allowed in drinking water systems for lead (.15 mg/liter) and

#### Regular Council Meeting September 28, 2020 Page 2

copper (1.3 mg/liter) and is regulated by KDHE. Martinez advised that during this year's testing, lead levels were acceptable and below the maximum level (.0021 mg/liter) but copper levels exceeded the maximum (1.59 mg/liter). It was stated that these excessive levels require, by the authority of KDHE, a Corrosion Control Study and installation of corrosion control treatment. Martinez stated the plan to conduct a Corrosion Control Study with the assistance of PEC. He also mentioned the budget figures and asked for approval of \$55,000 to pay PEC for the Corrosion Control Study and Water Master Plan. There was discussion about the reliability of the copper test that was done and how many times it was performed. There was also discussion about how often the levels are tested (every 3 years).

Motion by Crum – Second by Ewert

"I'll make a motion that we approve the Agreement with PEC for the Water Master Plan as presented.

Kessler yea, Rardin yea, Ewert yea, Benner yea, Parton yea, Crum yea, Thompson yea. Motion declared carried.

Under Other Business, Mayor Bruce Armstrong presented the Improvement Plan Draft for discussion. The mayor advised this was a 3yr to 5yr plan which included multiple projects that have been discussed or identified as needed. He advised council members this was a discussion rather than a vote as it will be on future agendas until there is a final agreement on details. There were no questions or discussion regarding this matter.

Under Department Reports, on behalf of Administrative Services, Chief Administrative Officer Will Black advised Cathy Hurley with the Living History Rendezvous emailed last week to inform the city that Rendezvous is cancelled this year due to COVID concerns. Tom Gibson President of HFI said Trick or Treat on Main St. is cancelled due to COVID concerns. Deputy Administrative Officer Georgie Carter shared information on the block grant funding for business and reminded applicants of an October 16<sup>th</sup> deadline at 5pm. On behalf of the City Clerk's Department, Black stated the City Clerk's office will be closed on Monday Oct. 12<sup>th</sup> so the next council meeting will be Oct. 13<sup>th</sup> in the court room due to expansion of the council room starting Sep. 29<sup>th</sup>. He also advised that the council meeting on Oct. 26th could most likely be in the court room as well for the same reason. For the Police Department, Black advised the visiting officer was Chase Carpenter. Black advised of Recreation Department announcements, which included registration for tiny tot basketball, boot camp classes, yoga, and Zumba. Public Works Director Tony Martinez gave updates for the sidewalk project West of Meridian, the Veterans Memorial, Country Lakes, Road repairs, and antique lighting installation along Meridian. There was a discussion on the poor condition of Timberlane road.

There were no Off Agenda Citizens to be Heard.

Under Bills to be Paid, Mayor Bruce Armstrong presented the Bills to be paid for the second half of September.

Motion by Ewert – Second by Rardin

"Mr. Mayor, I'd like to make a motion that we pay the second half of September bills."

Regular Council Meeting September 28, 2020 Page 3

Kessler yea, Rardin yea, Ewert yea, Benner yea, Parton yea, Crum yea, Thompson yea. Motion declared carried.

Under Council Items, Mayor Bruce Armstrong asked for Council Concerns. Councilperson Steve Crum thanked the chief and police officers for their efforts in the school zones.

Under Council Items, Mayor Armstrong advised Council Action Requests for 919 E. Karla is complete, 401 N. Marlen Bench Warrant was issued, 183 N. Marlen they are working with home owner, 191 N. Marlen is complete, and 253 Peachwood were reminded that the mess needs to be cleaned up.

Mayor Bruce Armstrong presented for approval Adjournment.

Motion by Kessler – Second by Ewert "Mayor and Council, I make a motion we adjourn tonight's meeting." Kessler yea, Rardin yea, Ewert yea, Benner yea, Parton yea, Crum yea, Thompson yea. Motion declared carried.

Angela Millspaugh, City Clerk

The Regular Council Meeting adjourned at 7:18 p.m.

**TO:** The Honorable Mayor Bruce Armstrong

**City Council Members** 

FROM: Georgie Carter, Deputy Administrative Officer

**SUBJECT:** Civil Rights Fair Housing Policy

**Re:** CDBG-CV Grant

DATE: October 8, 2020

Attached you will find a resolution that relates to the administration of the CDBG-CV grant funding that was awarded to the City.

Because these funds are distributed through the Department of Housing and Urban Development we have to follow their guidelines and have this policy in place. The City is required to select a Fair Housing activity each year the grant is open. We will be distributing the "know you rights" posters as our activity.

#### **RESOLUTION NO. 20-**

# A RESOLUTION OF THE CITY OF HAYSVILLE, KANSAS ADOPTING CERTAIN POLICIES FOR THE HANDLING OF CIVIL RIGHTS AND FAIR HOUSING COMPLAINTS

WHEREAS, the City of Haysville, Kansas desires to enact certain policies to provide for the handling of civil rights and fair housing complaints within the City.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF HAYSVILLE, KANSAS, AS FOLLOWS:

#### CIVIL RIGHTS/FAIR HOUSING POLICY

We, the Governing Body of the City of Haysville, Kansas hereby adopt the following policy for handling a civil rights/fair housing complaint(s) within our City.

- 1) The City Clerk shall receive all complaints within his/her office and the complaint shall then be formally introduced to the Governing Body at the next regularly scheduled meeting.
- We, the members of the Governing Body shall try to assist in resolving the conflict between the parties involved. If a resolution of the problem cannot be reached, then we will forward the complaint to the proper authorities.
- 3) Fair housing discrimination complaints will be submitted to HUD by phone, letter, and/or a HUD-903 form. All such complaints will be submitted to HUD at:

Department of Housing and Urban Development Kansas City Regional Office, Region VII Office of Fair Housing & Equal Opportunity Gateway Tower II - 400 State Avenue Kansas City, KS 66101

or by calling the Housing Discrimination Complaint HOTLINE 1-800-669-9777.

4) In the event of a civil rights complaint, we agree to also contact the following agencies:

Kansas Human Rights Commission 900 Jackson Street - 8th Floor Topeka, KS 66612 (785) 296-3206

Kansas Department of Commerce 1000 S.W. Jackson St., Suite 100 Topeka, KS 66612-1354 (785) 296-3004

This Resolution shall be in full force and eff Governing Body.	ect from and after its adoption by the
ADOPTED by the City Council on	, 2020.
(SEAL)	Mayor
City Clerk	

#### **MEMORANDUM**

TO: Honorable Mayor Bruce Armstrong; City Council

FROM: Nicci Stark, Administrative Secretary

DATE: 10/13/20

RE: 2020 New Businesses

The following businesses has applied for a new business license and passed all the requirements for the City of Haysville. No action is required.

**Small Sprouts Home Daycare** – Home Daycare – 6547 S Marion Dr.

Sincerely,

Nicci Stark Administrative Secretary City of Haysville

Working With You to Prevent Crime

Mayor Bruce Armstrong City of Haysville 200 W. Grand Ave. Haysville, KS 67060

Dear Mayor Armstrong,

On behalf of the Wichita Metro Crime Commission, I want to thank you for your ongoing support of your law enforcement officers. We understand there are many budget concerns in this challenging year, but we request you refrain from defunding, reallocating funds, or reducing the number of personnel in your local law enforcement agency. While we strongly support the right for peaceful demonstrations, keeping citizens and our officers safe is a primary concern for all of us. Should any additional dollars be available we would ask that you consider additional funding for training or equipment that would keep your officers safe.

One of the tenets of the Crime Commission is to support law enforcement. These men and women stand fearlessly to protect us, putting our wellbeing above their own. We admire and honor them for being a part of this honorable profession, as we know you do, and we appreciate all you do to keep them from harm's way.

Sincerely,

neletil

Mike Hill President

Wichita Metro Crime Commission, Inc.

From: Bottenberg, Megan (CCI-Central Region) <Megan.Bottenberg@cox.com>

**Sent:** Wednesday, September 30, 2020 9:38 AM **Subject:** Cox Communications LFA Notification

Dear Local Franchising Authority,

The following channel change will occur for Cox Communications and Cox Business customers:

On October 31, 2020, C-Beebies included in the Latino Pak, channels 336/2336, will be removed from our channel lineup.

We are truly grateful for the opportunity to serve your community. If you have any questions regarding these changes, please contact me at (785) 215-6727 or <a href="Megan.Bottenberg@cox.com">Megan.Bottenberg@cox.com</a>.

Sincerely,

Megan Bottenberg Manager, Government Affairs Cox Communications Central Region

# **MEMO**

TO: The Honorable Bruce Armstrong, Mayor

Haysville City Councilmembers

FROM: Will Black, Chief Administrative Officer

SUBJECT: Capital Improvement Plan Draft

DATE: September 24, 2020

The following Capital Improvement Draft Plan is included in the packet for review and discussion. It includes a look at current revenue sources used to fund capital projects as well as a summary of current outstanding debt. The project section of the draft breaks out projects by type with a summary table showing the cost of all projects by type by year. A complete project listing is found at the end of the draft in Appendix A.

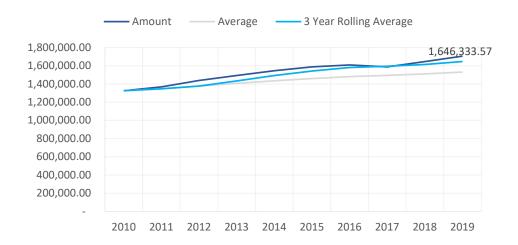

I am asking Councilmembers to review the draft plan and bring up any additional projects they would like to discuss for inclusion in the plan.

#### **Planning for Capital Improvements**

- Introduction & Background
  - o Authorization for Capital Improvements Fund
    - KSA 12-1, 118 is the state statute that allows a city to establish a capital improvement fund and also the statute requiring a formally approved multi-year capital improvement plan that sets forth the public improvement and infrastructure needs of the city on a prioritized basis. Haysville's capital improvement fund was established in 1986 with the passage of Ordinance Number 552.
  - Capital Improvements Budget Approval & Cash Flow
    - In recent years, our capital improvements plan has been approved with the passage of the annual budget and tracked at a staff level with a fund cash flow report showing upcoming expected revenues and planned expenditures.
  - Governing Body Discussion of Capital Projects
    - Other than during the budget process, the Governing Body has used both workshops and discussion during regular meetings to share projects of interest with staff for inclusion in capital planning.
- Purpose of Capital Improvements Plan
  - The capital improvements plan is the guiding document for the growth and betterment of the city. It outlines future projects by priority and also details how the improvements will be paid for. Projects included focus on providing quality of life experiences for residents and building infrastructure that allows for new growth of both residential and commercial districts.
- Formation and Approval of the Plan
  - Staff drafts the plan with input from stakeholders and consideration of planning documents such as the Park Plan, Water & Wastewater Master Plan, Planning Walkable Places, and others before the draft is presented for review by the Planning Commission. Final approval of the document is given by the Governing Body. The plan is then included as part of the Comprehensive Plan and used during the annual budget process.

#### **Funding Capital Improvements**

- Revenue Sources for Funding Capital Improvements
  - City Portion of Countywide Sales Tax
    - Haysville receives a portion of sales and use tax collected countywide in Sedgwick County. Half of the revenues are distributed to the county and cities in the county based on total dollars levied in the preceding year while the other half is distributed based on population as detailed in KSA 12-192.
    - The state collects and distributes this money monthly. Sales tax distributed to the city is from sales that took place two months prior. For example, taxes from December sales are collected by the state in January and distributed to the city in February. Based on city ordinance, one half of the countywide tax distribution is transferred to the capital improvements fund.
    - This is the primary source of revenue for the capital improvements fund and has shown a positive upward trend over the last 10 years.

#### City Sales Tax

Collection of the city's one cent sales tax began July 1, 2014 and will continue until July 1, 2024. The tax was approved by a vote of the public on April 1, 2014 to be used to fund a local street, park, and recreation improvement program. Half of the tax has been allocated to the street program. The current budget has 10% going to the park program and 40% designated for the recreation program. A large portion of the allocation to the recreation program is used to make the payment on the certificates of participation used to fund the construction of the new Haysville Activity Center in 2016-17.

#### o Water Infrastructure Fee

Established by Ordinance Number 1052, the fee became effective June 28, 2018 and generates approximately \$380,000 annually. While the infrastructure fee can be used for a number of water system improvements, the current focus is to design and replace a segment of water main each year using these funds.

#### Wastewater Fee

 Once the revenue bonds to construct the Wastewater Treatment Facility were paid off in 2015, the monthly fee of \$13.85 that funded the payment was eliminated. At that same time, a monthly wastewater fee of \$5.00 was implemented. This fee generates approximately \$270,000 annually and is used to fund capital improvements.

#### Stormwater Fee

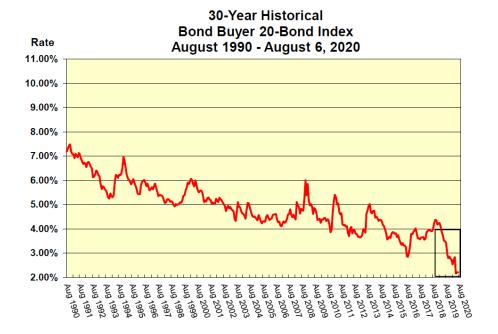

The stormwater fee was established in 2007, and the initial monthly rate was \$1.75 per Equivalent Residential Unit (ERU). In 2018, the fee was adjusted to \$2.50 per ERU. This fee currently generates approximately \$210,000 annually and funds all Stormwater Department expenditures leaving approximately \$85,000 for projects each year.

#### Land Bank Funds

- Authorized by KSA 12-5901 et seq. and established in 2015 with approval of Ordinance Number 1022, the City of Haysville, Kansas, Land Bank is a quasi-governmental entity that manages, maintains, and protects property for a public purpose. The Haysville Land Bank has been utilized primarily to revitalize residential developments that had stalled. Two developments in particular had infrastructure constructed and paid for using general obligation bonds. When lots went unsold, no one was paying the specials that were to fund the bond payments. The Land Bank then purchased lots both through a Sedgwick County Sheriff's tax sale and from private owners. The Land Bank was then able to sell lots to partially offset the bond payment expenses the city had to cover.
- Funds currently held by the Land Bank are available to pay specials on lots in Timber Creek Estates on which the city had infrastructure installed.
- Funds also are potentially available to install infrastructure in future developments including the second phase of the River Forest Addition.

#### • Financing Discussion

- Pay-as-you-go or Cash Payment
  - This method of financing requires the city to save up enough funds to pay for the project without borrowing money. Positives of this approach include: future funds are not tied up in servicing debt payments, interest savings can be put toward other projects, no risk of defaulting on loan payments. Negatives are: potential long wait for new infrastructure, large projects may consume the entire capital improvements budget, risk of inflation of construction costs.
- Financing with Temporary Notes & Bonds
  - Borrowing money to finance projects allows infrastructure to be built when it's needed, spreads the cost over the useful life of the asset, increases the city's capacity to invest, and ensures the beneficiaries of the improvement pay for the project.
  - Outside of the general pros and cons of debt financing, we are currently experiencing a historically low rate for borrowing money. The last temporary note the city issued had an annual interest rate of 0.85%. The trend in interest rates can be seen in this bond buyer index graphic.

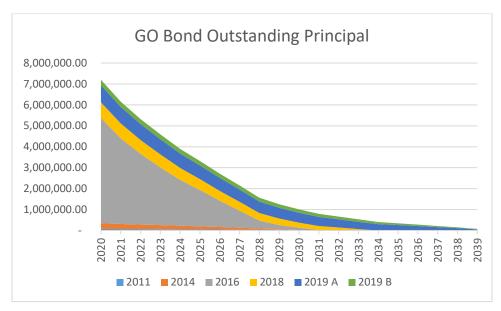

#### **Outstanding Indebtedness**

- Current Debt
  - 2011 General Obligation Bond
    - Mead Drive by Turnpike Access Road
    - \$107,000 Issue Amount
    - 20 Year Issue Length
    - \$75,000 Current Principal Balance
    - 100% Special Assessments
  - o 2014 General Obligation Bond
    - Paving Country Plaza Villas
    - \$369,000 Issue Amount
    - 15 Year Issue Length
    - \$270,000 Current Principal Balance
    - 100% Special Assessments
  - 2016 Refunding General Obligation Bond
    - This issue was done for the purpose of saving interest on four previous bond issues. The original issues including in the refinancing are the bonds issued in 2006, 2007, 2008, and 2010.
      - 2006 GO Bond
        - o Karla Street
        - Water Main at N. & S. Main
        - Sewer Main at Main Street Place Addition
        - o Country Lakes Addition, Phase 2
      - 2007 GO Bond
        - Haysville Community Library
          - Funded with property tax levy
          - Pmts 2008-2027 20 years
        - o South Brooke 2<sup>nd</sup> Addition, Phase 4
      - 2008 GO Bond
        - Country Lakes Addition, Phase 3
        - Timber Creek Estates Addition, Phase 1
        - Historic District Improvements
          - Land Purchase for Park
          - Wire House Improvements
          - Entry, Gazebo, Market Place, Lighting
        - USD 261 Sanitary Sewer Improvements
        - Municipal Pool Improvements
      - 2010 GO Bond
        - River Forest 2<sup>nd</sup> Addition, Phase 1
        - Force Main Re-route
        - Timberlane Drainage
        - o Mimosa Street
        - Rex Elementary Parking Lot
    - \$6,455,000 Issue Amount
    - 15 Year Issue Length

- \$5,030,000 Current Principal Balance
- 32.98% Special Assessments
- 2018 General Obligation Bond
  - Orchard Acres & South Field Additions Paving & Drainage Improvements
  - \$785,000 Issue Amount
  - 15 Year Issue Length

### **Staff Report to Governing Body**

**Subject:** Zone Change Request from "A" to "BB"

Meeting Date: October 13<sup>th</sup>, 2020

Presented By: Tiffany Al-Bassam, Planning & Zoning Administrator

Angela Millspaugh, City Clerk/Treasurer

#### **AREA MAP**

#### **BACKGROUND INFORMATION**

The owner of the property legally described as Reserve A, Paradise Valley Addition and the east half of the vacated portion of N. Jane Street has requested the zoning be changed from the existing "A" Single Family Residential District to the "BB" One and Two Family Residential District to allow the construction of two duplexes.

On September 24<sup>th</sup>, the Planning Commission conducted the required Public Hearing.

- City staff received three verbal communications prior to the public hearing.
  - 1. On September 1, 2020 at approximately 1:28 p.m., O'Dell Harper called and stated they were leaving the country and would be unable to attend the hearing. He stated his opposition to the change for the following reasons:
    - The duplexes would be an eyesore.
    - The duplexes would have a negative impact on property values.

- 2. On September 3, 2020 at approximately 1:20 p.m., Ken Aulback called and stated he opposed the change. He asked about a gas line under this property on the other side of Jane. He also inquired as to how this property became residential as he was informed it could never be developed due to the gas line. He stated he would think about it and call back if he had additional questions or comments.
- 3. On September 4, 2020 at approximately 3:00 p.m., Lea Shively called and wanted information about the location and what was being proposed.
- The applicant and his agent were the only members of the public in attendance.

Following the public hearing, the Planning Commissioners voted unanimously to recommend the City Council approve the requested change in zoning based on the Findings of Fact listed in the Staff Report.

Additional background information can be found in the Planning Commission Staff Report.

#### LEGAL CONSIDERATIONS

Rezoning a specific tract of land is a quasi-judicial proceeding and requires members of the Governing Body to disclose any *ex parte* communications.

The Zoning Act (K.S.A. 12-741 et seq.) provides that zoning matters are to be determined by the "Governing Body," which includes the mayor and council. The Zoning Act confers an original vote on the mayor, and he may cast his vote equally as a member of the governing body.

On October 5<sup>th</sup>, 2020 a valid protest petition was submitted by Mr. O'Dell Harper.

The governing body may take one of the following three actions when the Planning Commission submits a recommendation for approval or disapproval of a zone change request:

- Adopt the planning commissioners' recommendation. Due to a valid protest petition being filed, the decision to adopt requires a 3/4 vote from ALL members of the governing body. (7 votes)
- Deny the planning commissioners' recommendation by a simple majority vote. (5 votes)
- Return the recommendation to the Planning Commission with a statement specifying the basis for the governing body's failure to approve or disapprove by a simple majority vote (5 votes)

<u>Findings of Fact:</u> Section 700B of the Zoning Regulations provides specific matters for consideration by the Governing Body when approving or not approving a rezoning request for a specific property. The Governing Body may find that not all factors are relevant to this zone change request. Matters that are determined by the Governing Body to be important will be the basis for the Governing Body's decision. In order to properly make a decision, the City Council must make specific and substantiated findings supporting its recommendation.

- 1. <u>ZONING USES AND CHARACTER OF THE NEIGHBORHOOD:</u> (Factual description of the application area and surrounding property as to existing zoning, land uses, general condition, age of structures, etc.)
  - The subject property is an open space that is currently occupied by mature trees. It was owned and maintained as a park space by the city prior to being sold in 2007. The property has remained vacant.
  - Adjacent properties are zoned for "A" Single-Family. To the west, south and east are single-family residences that were constructed in the 1970's and 1980's. The property to the north is vacant land within the River Forest Addition.
  - It is not uncommon for this neighborhood to have areas that are zoned 'BB' One & Two Family as indicated on the map below.

- 2. <u>SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED:</u> (How is the property currently zoned and what uses are allowed on the property? Are these uses suitable given surrounding zoning and site criteria? Are the current allowed uses the only ones that might be appropriate for this property?)
  - The property is currently zoned "A" Single Family Residential. "A" is limited to single-family detached homes, accessory uses, and parks. The "A" district also permits conditional uses for parks, community buildings owned and operated by the city, churches, public schools, libraries, golf courses, and development of natural resources and extraction of raw materials.
  - The uses permitted in the "A" district are suitable for the subject site and are compatible with surrounding zoning and land uses. However, this site as well as the surrounding zones and land uses would remain compatible with the "BB" district.
- 3. <u>EXTENT TO WHICH REMOVAL OF THE RESTRICTIONS WILL DETRIMENTALLY AFFECT NEARBY PROPERTY:</u> (Can the uses allowed in the requested district be good neighbors to existing development? This is a subjective question.

The focus should be on facts, not fears, and should be based on issues that zoning can address (e.g. allowed uses, minimum lot size, height, setbacks, traffic generation, landscaping and screening, use limitations, etc.))

- The property is currently surrounded by single-family residential lots with the exception of a few areas in this general vicinity that are one & two family residential lots.
- Staff does not foresee any detrimental impacts to nearby property if the request is granted. The property will remain residential and has the same size, height, and setback regulations as the existing zoning.
- 4. <u>LENGTH OF TIME SUBJECT PROPERTY HAS REMAINED VACANT AS ZONED:</u> (Factual information, but its importance may be somewhat subjective. A property may be vacant because the current zoning is unsuitable, but there may be other reasons not related to zoning. Some examples might be a large availability of property of the same zoning district, financing problems, land speculation, fragmented ownership, lack of available public services, or other development problems.)
  - The property was developed as an open space and dedicated to the City in 1977. Since being sold as a residential property in 2007, the property has remained vacant.
- 5. RELATIVE GAIN TO THE PUBLIC HEALTH, SAFETY AND WELFARE AS COMPARED TO THE LOSS IN VALUE OR THE HARDSHIP IMPOSED UPON THE APPLICANT: (The protection of public health, safety and welfare is the basis for zoning. The relationship between the property owner's right to use and obtain value from their property and the City's responsibility to its citizens should be weighed.)
  - The health, safety and welfare matters associated with the proposed "BB" One and Two Family zoning should not be significantly different than those associated with the existing "A" Single Family Zoning.
- 6. <u>CONFORMANCE OF THE REQUESTED CHANGE TO THE ADOPTED OR RECOGNIZED COMPREHENSIVE PLAN:</u> (Does the request agree with the adopted plan recommendations? If not, is the plan out-of-date or are there mitigating circumstances which speak to the nonconformity?)
  - Haysville's Land Use Plan identifies the property as residential.
  - The Comprehensive Plan provides the following goal for Housing.
    - o Provide a variety of housing choices for current and future populations.
- 7. <u>IMPACT OF THE PROPOSED DEVELOPMENT ON COMMUNITY FACILITIES:</u>
  (Are water and sewer available for extension? How are roads impacted? Can other community facilities (e.g. police, fire, parks, libraries, schools) handle the increased

development? Should be based on factual information referencing standards used to make the determination.)

- Municipal water is available to the property. Sewer will need to be extended to the property.
- Municipal services such as police and fire protection are already provided to the area, and no additional burden is anticipated that cannot be accommodated with existing resources.
- 8. <u>OPPOSITION OR SUPPORT OF NEIGHBORHOOD RESIDENTS:</u> (This is just one of the factors to be considered and by itself is not sufficient reason to approve or deny a request.)
  - Two property owners have indicated their opposition.
- 9. <u>RECOMMENDATION OF STAFF:</u> (Should be based on the proceeding eight factors, adopted plans and policies, other technical reports (e.g. Capital Improvement Program, facility master plans, etc.) which speak to the topic, and staff's best professional judgement.)
  - Staff is supportive of the proposed zone change based on the proceeding factors.

#### RECOMMENDED MOTION

Approve the request and adopt an ordinance to change the zoning classification of Reserve A, Paradise Valley Addition and the east half of the Vacated portion of Jane Street from "A" Single-Family Residential to "BB" One & Two Family Residential based on the Planning Commission's findings of fact.

#### **ATTACHMENTS**

Planning Commission Staff Report Proposed Site Plan and Blueprint of Proposed Structures Draft Copy of September 24<sup>th</sup>, 2020 Planning Commission Minutes Protest Petition

## **Haysville Planning Commission Staff Report**

#### AGENDA ITEM: IV-A

**Subject:** Zone Change Request from "A" to "BB"

Case Number: ZON2020-01

Meeting Date: September 24<sup>th</sup>, 2020

**Presented By:** Angela Millspaugh, Planning & Zoning Administrator

**Public Hearing:** Required, to be held by Planning Commission

ANTICIPATED MEETIN	ANTICIPATED MEETING SCHEDULE						
Body	Meeting Date	Action					
Planning Commission	9/24/2020	Hold required public hearing. Recommendation for approval, approval with modifications, or denial of the proposal. This recommendation is forwarded to the City Council.					
City Council	10/13/2020	Adopt the recommendation of the Planning Commission as presented, override the recommendation, or return the recommendation to the Planning Commission (1st reading of ordinance).					
City Council	10/26/2020	Approval, approval with modifications, or denial of final reading of text amendment ordinance (if 1 <sup>st</sup> reading is approved).					

#### AREA MAP

### **Area of Application**

#### RECOMMENDED ACTION

Approve the proposed zone change and forward a recommendation of approval to City Council

#### **BACKGROUND INFORMATION**

In 1977 this property was platted as a reserve in the Paradise Valley Addition and dedicated to the City to be used for Park and Recreation. The City sold all but the west 25' of the property in 2007 after determining that the parcel was not needed for Haysville's park system. In 2012 a portion of Jane Street was vacated and the property reverted to the adjacent property owners. On August 18, 2020, the City conveyed the east half of Jane Street and the west 25' of Reserve A to Bryan Lagaly Properties who were purchasing Reserve A, Paradise Valley Addition.

On August 24, 2020, the applicant submitted an application for a lot split for Reserve A and the east half of N. Jane Street and an application for a Zone Change from "A" Single Family to "BB" One and Two Family in order to construct two duplexes.

Public hearing notices were mailed on August 28, 2020 to all owners of property located within 200 feet of the subject property. On September 3, 2020, notice of a public hearing was published in the official newspaper of the City, The Times Sentinel.

#### **Legal Considerations**

<u>Findings of Fact:</u> Section 700B of the Zoning Regulations provides specific matters for consideration by the Planning Commission when approving or not approving a rezoning request for a specific property. The Planning Commission may find that not all factors are relevant to this zone change request. Matters that are determined by the Planning Commission to be important will be the basis for the Planning Commission's recommendation. In order to properly make a recommendation to the City Council, the Planning Commission must make specific and substantiated findings supporting its recommendation.

- 1. <u>ZONING USES AND CHARACTER OF THE NEIGHBORHOOD:</u> (Factual description of the application area and surrounding property as to existing zoning, land uses, general condition, age of structures, etc.)
  - The subject property is an open space that is currently occupied by mature trees. It was owned and maintained as a park space by the city prior to being sold in 2007. The property has remained vacant.
  - Adjacent properties are zoned for "A" Single-Family. To the west, south and east are single-family residences that were constructed in the 1970's and 1980's. The property to the north is vacant land within the River Forest Addition.
  - It is not uncommon for this neighborhood to have areas that are zoned 'BB' One & Two Family as indicated on the map below.

- 2. <u>SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED:</u> (How is the property currently zoned and what uses are allowed on the property? Are these uses suitable given surrounding zoning and site criteria? Are the current allowed uses the only ones that might be appropriate for this property?)
  - The property is currently zoned "A" Single Family Residential. "A" is limited to single-family detached homes, accessory uses, and parks. The "A" district also permits conditional uses for parks, community buildings owned and operated by the city, churches, public schools, libraries, golf courses, and development of natural resources and extraction of raw materials.
  - The uses permitted in the "A" district are suitable for the subject site and are compatible with surrounding zoning and land uses. However, this site as well as the surrounding zones and land uses would remain compatible with the "BB" district.
- 3. EXTENT TO WHICH REMOVAL OF THE RESTRICTIONS WILL DETRIMENTALLY AFFECT NEARBY PROPERTY: (Can the uses allowed in the requested district be good neighbors to existing development? This is a subjective question. The focus should be on facts, not fears, and should be based on issues that zoning can address (e.g. allowed uses, minimum lot size, height, setbacks, traffic generation, landscaping and screening, use limitations, etc.))
  - The property is currently surrounded by single-family residential lots with the exception of a few areas in this general vicinity that are one & two family residential lots.
  - Staff does not foresee any detrimental impacts to nearby property if the request is granted. The property will remain residential and has the same size, height, and setback regulations as the existing zoning.

- 4. <u>LENGTH OF TIME SUBJECT PROPERTY HAS REMAINED VACANT AS ZONED:</u> (Factual information, but its importance may be somewhat subjective. A property may be vacant because the current zoning is unsuitable, but there may be other reasons not related to zoning. Some examples might be a large availability of property of the same zoning district, financing problems, land speculation, fragmented ownership, lack of available public services, or other development problems.)
  - The property was developed as an open space and dedicated to the City in 1977. Since being sold as a residential property in 2007, the property has remained vacant.
- 5. RELATIVE GAIN TO THE PUBLIC HEALTH, SAFETY AND WELFARE AS COMPARED TO THE LOSS IN VALUE OR THE HARDSHIP IMPOSED UPON THE APPLICANT: (The protection of public health, safety and welfare is the basis for zoning. The relationship between the property owner's right to use and obtain value from their property and the City's responsibility to its citizens should be weighed.)
  - The health, safety and welfare matters associated with the proposed "BB" One and Two Family zoning should not be significantly different than those associated with the existing "A" Single Family Zoning.
- 6. <u>CONFORMANCE OF THE REQUESTED CHANGE TO THE ADOPTED OR RECOGNIZED COMPREHENSIVE PLAN:</u> (Does the request agree with the adopted plan recommendations? If not, is the plan out-of-date or are there mitigating circumstances which speak to the nonconformity?)
  - Haysville's Land Use Plan identifies the property as residential.
  - The Comprehensive Plan provides the following goal for Housing.
    - o Provide a variety of housing choices for current and future populations.
- 7. IMPACT OF THE PROPOSED DEVELOPMENT ON COMMUNITY FACILITIES: (Are water and sewer available for extension? How are roads impacted? Can other community facilities (e.g. police, fire, parks, libraries, schools) handle the increased development? Should be based on factual information referencing standards used to make the determination.)
  - Municipal water is available to the property. Sewer will need to be extended to the property.
  - Municipal services such as police and fire protection are already provided to the area, and no additional burden is anticipated that cannot be accommodated with existing resources.
- 8. <u>OPPOSITION OR SUPPORT OF NEIGHBORHOOD RESIDENTS:</u> (This is just one of the factors to be considered and by itself is not sufficient reason to approve or deny a request.)

- Two property owners have indicated their opposition.
- 9. <u>RECOMMENDATION OF STAFF:</u> (Should be based on the proceeding eight factors, adopted plans and policies, other technical reports (e.g. Capital Improvement Program, facility master plans, etc.) which speak to the topic, and staff's best professional judgement.)
  - Staff is supportive of the proposed zone change based on the proceeding factors.

#### **Recommended Motion:**

Approve the request to change the zoning classification of Paradise Valley Addition, Reserve A. from "A" Single-Family Residential to "BB" One & Two Family Residential based on the findings of fact and forward a recommendation of approval to the City Council.

#### **PUBLIC REVIEW**

The public hearing notice was published on September 3<sup>rd</sup>, 2020. A written record of the comments received as of September 18<sup>th</sup>, 2020 are attached. Comments received after this date will be distributed at the meeting.

#### **ATTACHMENTS**

#### COMMENTS

- 1. On September 1, 2020 at approximately 1:28 P.m., O'Dell Harper called and stated they were leaving the country and opposed the change for the following reasons:
  - The duplexes would be an eyesore
  - The duplexes would have a negative impact on property values.
- 2. On September 3, 2020 at approximately 1:20 P.m., Ken Aulback called and stated he opposed the change. He asked about a gas line under this property on the other side of Jane. He also inquired as to how this property became residential.
- 3. On September 4, 2020 at approximately 3 P.m., Lea Shively called and wanted information about the location and what was being proposed.

#### HAYSVILLE PLANNING COMMISSION

Minutes September 24, 2020

The regular Planning Commission Meeting was called to order by Chairperson Tim Aziere at 7:00 p.m. in the Council Chambers at the Haysville Municipal Building, 200 W. Grand.

Those members present were: Tim Aziere, Bob Wethington, Debbie Coleman, Richard Meyer, Fred Plummer and Mark Williams. Also present was City Clerk Angela Millspaugh, Planning & Zoning Administrator Tiffany Al-Bassam, and Wichita-Sedgwick County Principal Planner David Yearout.

The first item of business were the Minutes of August 13, 2020.

Motion by Wethington Second by Coleman To approve the minutes as presented Aziere yea, Wethington yea, Meyer yea, Plummer yea, Williams yea, Coleman yea Motion carried

Under Special Order of Business was a public hearing to consider a Zone Change request from "A" to "BB".

Aziere read the opening comments and formally opened the public hearing.

Millspaugh presented the staff report and stated the request was for a zoning change from "A" single family to "BB" one and two family. She began by explaining the area in which the property is located; where Jane meets Hemphill. Millspaugh then goes on to explain the history of this parcel and how it was platted as a reserve for a park by the City but it was later realized the parcel was too small of a piece to make any functional park. It was this factor coupled with the direction the city was going that brought the City of Haysville to the decision of selling the property in 2007. Millspaugh stated that more recently the property has sold including the west 25ft that were not initially sold and the east half of Jane St. that was vacated a few years ago. Since that time the city has maintained a utility drainage easement. Millspaugh then goes on stating that the reason for the zone change is to construct two duplexes and informs commission members that they have the site plan and blueprint of the proposed structures. It was also stated that notices were mailed on August 20, 2020 and published in the Newspaper on September 3, 2020.

At this time, Millspaugh begins discussing the 'Legal Considerations' of the property.

- 1. <u>ZONING USES AND CHARACTER OF THE NEIGHBORHOOD:</u> (Factual description of the application area and surrounding property as to existing zoning, land uses, general condition, age of structures, etc.)
  - The subject property is an open space that is currently occupied by mature trees. It

- was owned and maintained as a park space by the city prior to being sold in 2007. The property has remained vacant.
- Adjacent properties are zoned for "A" Single-Family. To the west, south and east are single-family residences that were constructed in the 1970's and 1980's. The property to the north is vacant land within the River Forest Addition.
- It is not uncommon for this neighborhood to have areas that are zoned 'BB' One & Two Family as indicated on the map below.

- 2. <u>SUITABILITY OF THE SUBJECT PROPERTY FOR THE USES TO WHICH IT HAS BEEN RESTRICTED:</u> (How is the property currently zoned and what uses are allowed on the property? Are these uses suitable given surrounding zoning and site criteria? Are the current allowed uses the only ones that might be appropriate for this property?)
  - The property is currently zoned "A" Single Family Residential. "A" is limited to single-family detached homes, accessory uses, and parks. The "A" district also permits conditional uses for parks, community buildings owned and operated by the city, churches, public schools, libraries, golf courses, and development of natural resources and extraction of raw materials.
  - The uses permitted in the "A" district are suitable for the subject site and are compatible with surrounding zoning and land uses. However, this site as well as the surrounding zones and land uses would remain compatible with the "BB" district.
- 3. EXTENT TO WHICH REMOVAL OF THE RESTRICTIONS WILL DETRIMENTALLY AFFECT NEARBY PROPERTY: (Can the uses allowed in the requested district be good neighbors to existing development? This is a subjective question. The focus should be on facts, not fears, and should be based on issues that zoning can address (e.g. allowed uses, minimum lot size, height, setbacks, traffic generation, landscaping and screening, use limitations, etc.))
  - The property is currently surrounded by single-family residential lots with the exception of a few areas in this general vicinity that are one & two family residential lots.

- Staff does not foresee any detrimental impacts to nearby property if the request is granted. The property will remain residential and has the same size, height, and setback regulations as the existing zoning.
- 4. <u>LENGTH OF TIME SUBJECT PROPERTY HAS REMAINED VACANT AS ZONED:</u> (Factual information, but its importance may be somewhat subjective. A property may be vacant because the current zoning is unsuitable, but there may be other reasons not related to zoning. Some examples might be a large availability of property of the same zoning district, financing problems, land speculation, fragmented ownership, lack of available public services, or other development problems.)
  - The property was developed as an open space and dedicated to the City in 1977. Since being sold as a residential property in 2007, the property has remained vacant.
- 5. RELATIVE GAIN TO THE PUBLIC HEALTH, SAFETY AND WELFARE AS COMPARED TO THE LOSS IN VALUE OR THE HARDSHIP IMPOSED UPON THE APPLICANT: (The protection of public health, safety and welfare is the basis for zoning. The relationship between the property owner's right to use and obtain value from their property and the City's responsibility to its citizens should be weighed.)
  - The health, safety and welfare matters associated with the proposed "BB" One and Two Family zoning should not be significantly different than those associated with the existing "A" Single Family Zoning.
- 6. <u>CONFORMANCE OF THE REQUESTED CHANGE TO THE ADOPTED OR RECOGNIZED COMPREHENSIVE PLAN:</u> (Does the request agree with the adopted plan recommendations? If not, is the plan out-of-date or are there mitigating circumstances which speak to the nonconformity?)
  - Haysville's Land Use Plan identifies the property as residential.
  - The Comprehensive Plan provides the following goal for Housing.
    - o Provide a variety of housing choices for current and future populations.
- 7. <u>IMPACT OF THE PROPOSED DEVELOPMENT ON COMMUNITY FACILITIES:</u>
  (Are water and sewer available for extension? How are roads impacted? Can other community facilities (e.g. police, fire, parks, libraries, schools) handle the increased development? Should be based on factual information referencing standards used to make the determination.)
  - Municipal water is available to the property. Sewer will need to be extended to the property.
  - Municipal services such as police and fire protection are already provided to the area, and no additional burden is anticipated that cannot be accommodated with existing resources.

- 8. <u>OPPOSITION OR SUPPORT OF NEIGHBORHOOD RESIDENTS:</u> (This is just one of the factors to be considered and by itself is not sufficient reason to approve or deny a request.)
  - Two property owners have indicated their opposition.
- 9. <u>RECOMMENDATION OF STAFF:</u> (Should be based on the proceeding eight factors, adopted plans and policies, other technical reports (e.g. Capital Improvement Program, facility master plans, etc.) which speak to the topic, and staff's best professional judgement.)
  - Staff is supportive of the proposed zone change based on the proceeding factors.

Millspaugh stated the properties adjacent to the duplexes that were built in the River Forest Addition in recent years maintained their appraised value and that the values had increased at the same rate as the rest of the city, which indicated that there was no effect on property values.

Millspaugh presented the comments that had been received. She stated that on September 1<sup>st</sup>, 2020, O'Dell Harper called and stated he was leaving the country but opposed the change because it was an eyesore and the duplexes would have a negative impact on property values. On September 3<sup>rd</sup>, 2020, Ken Aulback called and stated he opposed the change. He asked about a gas line under the property on the other side of Jane. He also inquired as to how this property became zoned as residential because he was told it could never be developed due to the gas line. Millspaugh stated that there is no such gas line under this property and that the line is to the north of the property and then runs east. On September 4<sup>th</sup>, 2020, Lea Shively called and wanted information about the location and what was being proposed. She said that she would drive by the property and would call back if she had any objections.

Millspaugh stated that staff is recommending this zone change be approved. Mark Williams asked how many duplexes they are wanting to build and Millspaugh responded two. He then wanted to clarify if that would be four units which Millspaugh affirmed that is correct. There were no further questions for staff. Aziere stated it was time for any member of the public to speak and stated they would have 5 minutes and if they were presenting good, factual information, the time could be extended by vote. He asked the public to state their name and address first. There were no members of the public present and Aziere stated he would "entertain a motion to close the public hearing".

Motion by Wethington Second by Coleman Public hearing was closed

Mark Williams asked if these duplexes would be sold or become rental properties. Property owner Bryan Lagaly stated he intends to keep them and make them rental properties. Aziere then asked Lagaly if the individual residents would be in charge of outside maintenance or if Lagaly hired that out. Lagaly stated he usually landscapes them, sods them, and then puts sprinklers and fences in himself but that he has a guy who mows them and "keeps them up". There were no further questions from commissioners.

Aziere stated Based on the discussion and application of the previous 8 criteria, I would entertain a motion to recommend City Council adopt, adopt with revisions, or deny the zone change request.

Coleman stated I move that the Planning Commission recommend City Council adopt the zone change request from "A" Single Family to "BB" One & Two Family for Reserve A, Paradise Valley Addition of Haysville, Sedgwick County, Kansas

Second by Wethington

Aziere asked Millspaugh to take vote by roll call.

Aziere yea, Wethington yea, Meyer yea, Plummer yea, Williams yea, Coleman yea Motion carried

Under New Business the Planning Commission considered a zone change request from "RR" to "MH"- 839 West 81st St. South which is located in the 'Area of Influence'. At this time Yearout presented the Sedgwick County staff report. He started out by saying the property is a single lot in Chapman Acres Development that was created in 1957. At the time many lots were occupied by single wide manufactured homes. Over the years the county has adopted new zoning regulations which now only allows residential designed manufactured homes within the "RR" District. He stated there use to be a single-wide on the lot but that it had been removed. The owner's son is wanting to put a single-wide back on the property. Yearout stated that the owner's son priced a double-wide and it would be around \$20,000 more to purchase even though the dimension are not far off from what is currently required. Yearout stated if approved for a zone change, the applicant would have to meet the building requirements which is not an issue. Yearout also said that the onsite wastewater system would have to be brought up to code. It was noted the applicant is fully aware of all requirements and is happy to go through the process of getting things done. Yearout then said that he is in attendance tonight because this issue falls within Haysville's area of influence and therefore Haysville Commission members are extended the opportunity to review and comment. Aziere asked Yearout if the issue here was that the home was 18ft wide instead of 22ft wide and Yearout said yes. There was a discussion on the history and requirements of the Residential Design Manufactured Home legislation. Wethington asks if this 18ft wide home is built according to the requirements of a Residential Designed Manufactured Home. Yearout responds it meets every standard except the width requirement. Williams asked what the original intent of changing the standard to 22ft was. Yearout said it was the legislature that changed it to guarantee that it wouldn't be "single-wides". Yearout then went into more depth of the statute and the motives behind it. There were no other questions from the commission members.

Williams made a motion to accept it as presented.

Second by Coleman

Aziere restated the motion to recommend approval as presented.

Aziere yea, Wethington yea, Meyer yea, Plummer yea, Williams yea, Coleman yea.

Motion carried

Under New Business members considered revisions to the bylaws. Millspaugh touched on some of the bigger revisions. The first was terms expiring on the same date (June 30<sup>th</sup>) of each year with the years still being staggered. The reasoning was because it's hard to follow when members' terms are expiring at different times and this would make it easier to ensure that

members are being reappointed at the right time. It was then mentioned that official language for online meetings was added. Millspaugh stated that meetings were kept the same but asked if the 7pm meeting time was still suitable. Aziere stated he sees no reason to change it. Millspaugh said she also added more detail to the two types of zoning procedures. Williams stated it all makes sense to him.

Motion by Wethington
Second by Coleman
To adopt the recommended changes
Aziere yea, Wethington yea, Meyer yea, Plummer yea, Williams yea, Coleman yea.
Motion carried

The was no Old Business

There were no Committee Updates.

Under Off Agenda Millspaugh introduced the new Planning and Zoning Administrator, Tiffany Al-Bassam.

Motion by Coleman to adjourn Second by Wethington Aziere yea, Wethington yea, Meyer yea, Plummer yea, Williams yea, Coleman yea. Motion carried

The meeting adjourned at 7:31 PM.

### **MEMO**

TO: The Honorable Bruce Armstrong, Mayor

Haysville City Councilmembers

FROM: Will Black, Chief Administrative Officer

SUBJECT: Authorization to Spend CARES Act Funds

DATE: October 9, 2020

Sedgwick County received approximately \$99 million in CARES Act funds of which \$10.1 million was placed in a bucket for distribution to cities within the county. Of the \$10.1 million, \$236,698.42 was initially earmarked for the City of Haysville. At a subsequent meeting, Sedgwick County allocated an additional \$4.9 million to cities to be distributed on a per capita basis. The county is working on revising the agreement to account for the change in dollar amount allocated to Haysville.

Since we do not yet have the revised agreement showing our new amount, I calculated the amount I think we will receive from the county. My estimate is \$350 thousand. This is an increase of approximately \$113 thousand over the original allocation. Sedgwick County has established a deadline of October 30, 2020 for cities to expend their allocations. The following is a summary of our Covid-19 related expenditures to date:

- \$177,250.00 Council Room Expansion & PW Remodel
- \$37,064.89 Hazard Pay
- \$5,713.45 PPE
- \$6,861.51 Facilities
- \$9,600.00 Remote Work
- \$1,200.00 Other
- \$237,689.85 Total

We have been researching and reviewing approved CARES Act expenditures both by Sedgwick County and its sub-recipients. We have also been following approved expenditures by other cities and counties nationwide. We have reviewed guidance from the U.S. Treasury. This has been for the purpose of determining what is and isn't allowed using CARES Act funds. We are currently reviewing burn rates on PPE and sanitation supplies and determining what equipment we need to ensure employees are able to tele-work if necessary due to Covid-19.

With the October 30, 2020 deadline for expenditures, we are asking authorization to spend up to the amount, estimated at \$350 thousand, allocated by Sedgwick County for use by the City of Haysville. If the county changes the allocation to a lesser amount, we will reduce our expenditures to the new amount.

401 S. Jane-P.O. Box 404-Haysville, Kansas 67060 (316) 529-5940~Fax (316) 529-5945 www.haysville-ks.com

TO: The Honorable Mayor, Bruce Armstrong

Haysville City Council members

FROM: Tony Martinez

Director of Public Works

DATE: October 13, 2020

RE: 2020/2021 Sanitary Sewer Cured In Place Pipe

We have requested proposals for installing CIPP (cured-in-place pipe), for the purpose of rehabilitating a portion of the sanitary sewer collection system. There has been approximately 10,418 LF of sanitary sewer pipe identified to be rehabbed this year. The results of the proposals are as follows:

Insituform Technologies \$266,471.60

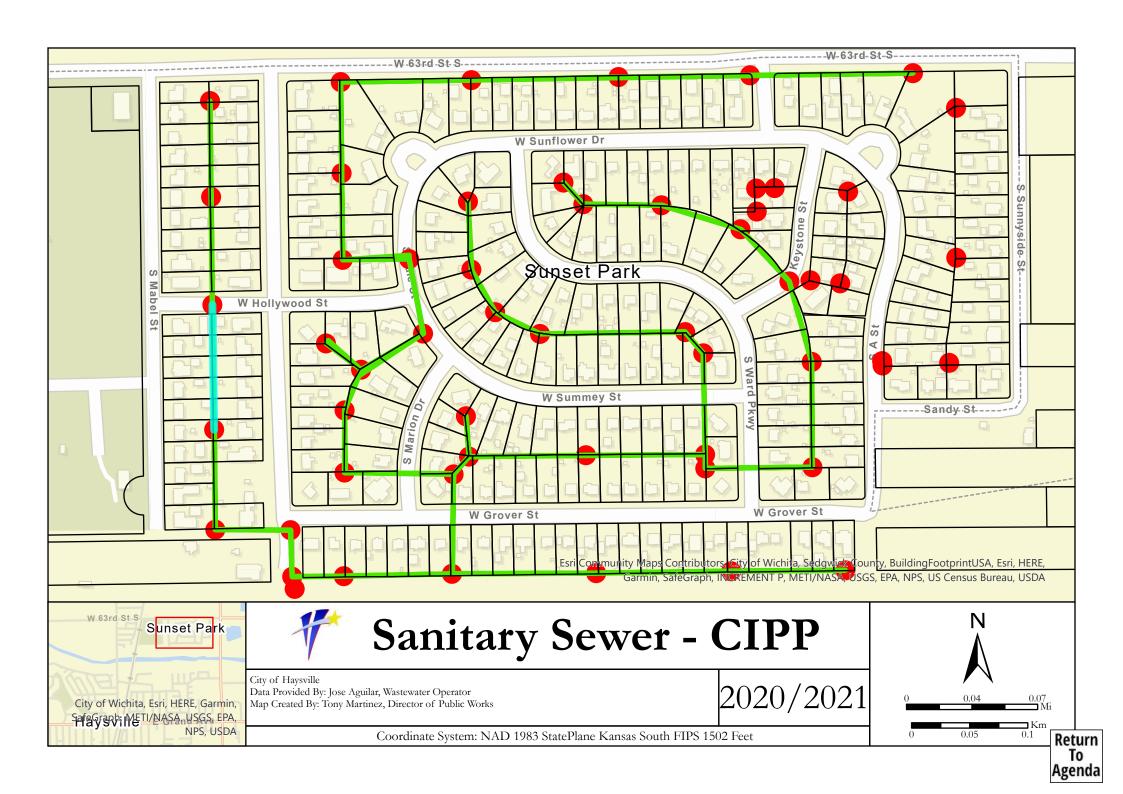

SAK Construction LLC \$286,077.00

Utility Maintenance Contractors \$295,350.30

We are seeking authorization to accept the proposal from Insituform Technologies in the amount of \$266,471.60. This is a budgeted item for the 2020 and 2021 budgets at a total of \$260,000, to be paid out of Wastewater Contractual.

Tony Martinez City of Haysville

From: Tony Martinez

Director of Public Works

Date: October 13, 2020

Re: Excavator Repairs

The used excavator purchased in October 2019 has experienced mechanical issues last month. At that time, we had Murphy Tractor and Equipment work on the machine to diagnose the issues.

Repairs/Diagnostics

\$12,084.08

Murphy Tractor and Equipment has presented us with two options to address the issues. The first is making repairs to the existing engine. This will require more labor hours and potentially leave any other unforeseen issues in place. The other option is purchasing a remanufactured engine, which requires less labor to install and would address any of those unforeseen issues with the current engine.

Repair Engine \$31,938.66 Remanufactured Engine \$29,054.51

After discussion with Murphy Tractor and Equipment, they have agreed that the City will only be responsible for 50% of incurred costs. We are requesting authorization for the repairs, diagnostics and to install the remanufactured engine for a total of \$20,569.29. The remanufactured engine will have a one year unlimited hours warranty. This will be paid out of equipment reserve.

Tony Martinez

Director of Public Works

### CITY OF HAYSVILLE, KANSAS

ECONOMIC DEVELOPMENT | 140 N. MAIN STREET HAYSVILLE, KANSAS 67060 | (316) 529-5909 | HelloHaysville.com

**TO:** The Honorable Bruce Armstrong

**City Council Members** 

FROM: Zach McHatton, Economic Development Director

**SUBJECT:** Economic Development Report - 3<sup>rd</sup> Quarter

DATE: October 8, 2020

.....

#### **Business Activity**

Small Sprouts Home Daycare
Society of Decorative Painters
AC Equipment Repair LLC
060 Technology Solutions
Metal Technologies LLC – Formerly DME Electronics
MBM Management – McDonalds
Freedom Carports & Sheds – Formerly Keiter Nursery

#### **Residential Activity**

New Home Builds = 20 (YTD) Valuation = \$4,092,873

#### Kansas Department of Commerce Covid-19 Business Grant

The City of Haysville was awarded \$132,000 by the KDC. This is a great opportunity to help our local businesses who maintained jobs and operations during the Covid-19 pandemic. The grant is funded by the CARES Act, and has many federal regulations/guidelines to follow. Currently helping applicants/businesses work through submitting their applications.

#### Timeline:

July – Grant awarded in late July.

August – Agreement approved by City Council and bank documents submitted.

September – RFQ issued and contract for a grant administrator approved by City Council.

October – Application sent to all businesses. Application can be downloaded via the City's website, hard copies available at the Vickers Station and City Hall drive-thru. We have marketed the application via website, FB posts, and the Times-Sentinel. Deadline is October 16, 2020.

November – Applications and awards will be submitted to City Council for approval. Award to businesses announced/issued late November

December -50% of the award must expended, and will look to have a second round of applications if needed.

#### Covid-19

Staying current/educated on resources for business.

Applying for all funding opportunities.

Sent CDBG-CV grant applications to all businesses who were operational on March 1st.

Made phone calls to businesses in addition to sending applications.

#### **Vickers Petroleum Service Station**

Now linked as a Google Business and am receiving data on searches and visitation.

There have been 415 views and 175 searches.

Will continue to modify our Google profile to keep it relevant.

Plans to remodel HelloHaysville.com around the Station.

State Visitor List to date: Kansas, Alabama, Pennsylvania, South Dakota, Georgia (2X),

Nebraska, Oklahoma, Minnesota, Colorado, Florida, and Alaska

#### The Haysville Land Bank

Timber Creek Estates

Closed/Sold = 10 lots

Pending/Contract = 7 lots

There are approximately 5 individuals with high interest, and could move to purchase at any time.

Increased the HelloHaysville.com Lots for Sale campaign and keyword searches (SEO).

Other marketing mediums that have produced results/leads:

Broadway/63<sup>rd</sup> St billboard

Letter from the Mayor (Mailer)

Parade of Homes Magazine

Gateway signage in Timber Creek

Every avenue of marketing has produced results

#### **Build Haysville Enrollment**

28 homes receiving incentives 2019 Payment Total = \$28,422.33

#### **Incentives**

Trees for new home builds (1-3 Trees)

Abatements for new property (available by request)

\$5,000 sports bar/brew pub still available

Lots priced at 50% below fair market value in Timber Creek Estates (Land Bank)

#### **Assisted Living Facility (ALF)**

City staff has had multiple positive discussions with an assisted living provider. Due to maintaining confidentiality, we are unable to share details at this time. Covid-19 has delayed progress. Still in discussions with the company, and are looking at fall/winter to resume action.

#### **Haysville Forward Inc. (HFI)**

Marketing Campaign Strategic marketing with Armstrong/Chamberlin (Reports available upon request)

Event/organization sponsorships (Report available upon request)

Due to Covid-19, the organization has gone dormant. Looking at the first of the year to resume meetings.

#### **Kansas Certified Sites**

Partnering with the Blood Family and Jeff Lange to certify the industrial park with the Kansas Department of Commerce. Governor Kelly announced the program in late summer. This would make site selector information available through the KDC, and the certification would be valid for 3 years.

#### **Marketing Campaign**

HelloHaysville.com Features Lots for Sale Events Calendar

Strategic marketing driving traffic to the website

Flag Merchandise (Available for purchase at City Hall) Flags (2'x 3' and 3' x 5') T-shirts/Tumblers/Magnets/License Plates 107.9 Radio (WABA Home Show / Veterans Day)

Cruzin' Calendar

Facebook

YouTube

Strategic Marketing w/ Armstrong-Chamberlin (Reports available upon request)

63rd St/Broadway billboard

Times-Sentinel Newspaper

WABA Parade of Homes Magazine

#### **Haysville Hustle**

The service will begin operation in the fall. We will apply for the operations grant this year to help cover the cost of service. This is a 50/50 match opportunity. The bus is currently parked at the Vickers Station to market the new service.

#### **Economic Development Assessment Progress**

- 1. The Aviation Industry McConnell AFB marketing campaign w/ HFI and USD 261
- 2. Economic Development Website HelloHaysville.com strategic marketing campaign. Design overhaul currently in the works.
- 3. Recruitment of Retail Establishments Retail establishments are a challenge in a service oriented community (Amazon), but franchise recruitment is a goal for 2020
- 4. A Spring Festival Party in the 060
- 5. Pursuit of an Assisted Living Center Actively recruiting an assisted living facility, and other transitional living options
- 6. Establishment of a BNI Chapter
- 7. A Highly Visible Economic Development Office Moved to the Vickers Station on June 23, 2020

- 8. Consideration for a Canine Park The Haysville Dog Park at Dorner Park officially opened on October 31, 2019
- 9. Recruitment of Manufacturing Facilities Working with Lange RE and the Greater Wichita Partnership to market the industrial park.
- 10. Perception Change Always working this with a "be the change" approach. Our visual marketing game doubled in 2019, and looks to increase in 2020.
- 11. Placement of Articles in National Publications HFI had started working on this, but is delayed due to Covid-19
- 12. Professional Occupations HFI had started working on this, but is delayed due to Covid-19
- 13. A Public-Private Partnership for Economic Development
- 14. A Community College Presence WSU Haysville
- 15. Equestrian Branding We sponsor the Haysville Saddle Club Rodeo!
- 16. An Annual Allies Day
- 17. Engaging Millennials Continue programming quality of life projects/events First wave of Millennials are leaving the urban cores to raise their families, and their main focus is quality of life and place.
- 18. Senior Citizen Transportation Awarded a 5310 grant, and the Haysville Hustle will begin operation in late fall 2020. Picked up the bus last week!
- 19. "Tri Cities" Marketing Alliance Improving relations/coordination, but needs still needs attention.
- 20. Promotion of Entrepreneurship This would be an ideal venture for the Haysville Chamber of Commerce.
- 21. A Canadian Alliance As per a suggestion (Canada)
- 22. Social Media Advertising Continued increase in marketing via Facebook and YouTube.
- 23. Attraction of Retirees Different phases of living, an assisted living facility, and memory care are crucial. Most amenities are available, and we are working on filling the gaps of assisted living and memory care.
- 24. I35 Advertising working to get Vickers Station and dog park signage.
- 25. Regional Headquarters Recruitment We are starting to gain traction in the industrial park with the Blood properties and Lange RE representation. Their involvement/property is vital to attract site selectors.
- 26. Land Options Continue to pursue property, but give the private sector opportunity to develop first.
- 27. The Greater Wichita Partnership We have a great relationship with the Partnership Working with the economic development arm of the region is essential to continued growth. Regularly attend the
