# Kansas Legal Services

**March 31st | 1:00 P.M.**

Do you worry about the healthcare you would receive if you became ill or unable to communicate for yourself? If so, please join us as Dwayna McFerren with Kansas Legal Services returns to discuss the differences between End of Life declarations, Do Not Resuscitate, Financial and Healthcare Financial Power of Attorneys, Living Wills, Trust & More. These are difficult discussions to have but we ALL should have these forms in place to ensure our wishes are met. In addition, having these documents in place will help take as much burden off your children/beneficiaries as possible.

Dwayna will help you get these documents in place. Just arrive knowing who you wish to declare as your beneficiaries, along with their contact information, and Dwayna will prepare these documents for you...FREE of charge.

Already have these forms in place? That's ok, still come listen and ask any questions you may have! Family welcome with members.
